

May 2019

After a long winter we are happy to finally see the spring come to life with green grass, trees, and spring flowers! We hope you and your families have the opportunity to get outside in our beautiful city and enjoy the spring weather!

At Exquisicare Senior Living and Care at Home by Exquisicare we are committed to bettering the lives of seniors in our communities.

Please take a moment to peruse our newsletter and the articles related to caring for our aging loved ones.

Seniors Nutrition Myths

The right diet and nutritional intake is arguably more important for seniors than for any other age group. Seniors have unique nutritional needs that can only be addressed when they are understood. Unfortunately, many false beliefs about a senior's nutritional needs exist. Be aware of these myths so that seniors can start eating right or improving their health in other ways.

Here are a few common but false beliefs about senior nutrition:

Myth #1:

It's Natural For Older People to Lose Their Appetite

Myth #2:

It Doesn't Matter Whether a n Older Person Eats Alone or With Others -

Myth #3:

As Long as Seniors Follow Healthy Eating Guidelines, They'll Be Fine

Myth #4:

Seniors Have Slower Metabolisms and Need Fewer Nutrients

Myths #5:

Seniors With a Weak Appetite can Safely Skip Meals

What Aging Parents Want from Their Kids

There 's a fine line between caring and controlling- but older adults and their grown children often disagree on where it is.

As parents get older, attempts to hold on to our independence can be at odds with even the most well-intentioned "suggestions" from our children.

We want to be cared about, but fear being cared for. Hence the push and pull when a well-meaning offspring steps onto our turf.

Games for Seniors Living with Alzheimer's or Dementia

Research shows that brain games can be effective in delaying the onset of dementia in older adults.

However, there are plenty of fun, stimulating games for those already living with dementia. Seek out games that offer social interaction and include an appropriate amount of mental stimulation -that may slow cognitive decline.

Recreation & Activities

Our resident's enjoyed our Easter Celebrations and a visit from a real Bunny! Our Life Enrichment Coordinator plans a full calendar of meaningful daily activities and stimulating outings for our residents each month.

"You don't stop laughing when you grow old, you grow old when you stop laughing."

George Bernard Shaw
